Specific 3M Product Bulletins may contain additional warranty information (see About This Warranty).

- **Fitness for Use Limitation.** 3M may recommend but does not warrant fitness for any particular use.
- **Durability Limitation.** There is no warranty for durability.

Remedies and Limitation of Liability

3M's sole liability under the terms of this Product Warranty is replacement of or credit for the returned, unused material. 3M may request samples of the defective materials.

About This Warranty

The warranty stated in this document is exclusive and is made in place of any and all express or implied warranties or conditions, including any implied warranty of merchantability or fitness for a particular purpose, or any industry practice or custom or trade usage.

The warranty and limited remedies stated in this document may not be modified except by written exception signed by 3M.
