Peace-of-Mind Guarantee*

For your Lava™ Restorations.

3M ESPE guarantees no fracture or chipping of the Lava™ Crown or Bridge Restoration as set forth below if Lava Crown and Bridge restorations were manufactured by Authorized Lava™ Milling Centers and/or Authorized Lava™ Design Centers, using porcelains recommended by 3M ESPE and using exclusively Lava™ Equipment including the Lava™ Scan ST, Lava™ Furnace and Lava™ Milling Machines in strict compliance with approved indications and Instructions for Use for Lava™ Frame restorations and the Lava equipment.

To be eligible for the Peace-of-Mind Guarantee, the dentist must first contact 3M ESPE Customer Care at 800-634-2249 to register their practice, designate their dental laboratory and follow the recommended preparation and handling guidelines for Lava restorations. 3M ESPE will contact the dental lab to review proper design and fabrication techniques for Lava restorations and review recommended porcelains.

The guarantee mentioned above is limited to fractures or chipping which occur post-seating in-vivo within one year from the date of Lava crown or bridge placement and 3M ESPE's responsibility shall be limited to the materials replacement of the Lava zirconia crown or bridge and cost of recommended porcelain, or at 3M ESPE's option reimbursement of the finished crown or bridge at a fair market price. Participating Authorized Lava Milling Centers and Authorized Lava Design Centers agree to cover the labor charges in the event of a warranty claim.

To qualify for the Peace-of-Mind Guarantee, the Lava restoration must be designed through an Authorized Lava Design Center and/or designed, milled, and sintered through an Authorized Lava Milling Center.

This guarantee does not cover breakage resulting from accidental breakage or misuse.

Limitation of Liability: Except where prohibited by law, 3M ESPE will not be liable for any loss or damages arising from this product, whether direct, indirect, special, incidental or consequential, regardless of the theory asserted, including warranty, contract, negligence or strict liability.

The Peace-of-Mind Guarantee is valid for Lava restorations placed in the U.S. between October 1, 2011 and September 30, 2012. 3M reserves the right to change, amend, or discontinue the Peace-of-Mind guarantee at any time.
