About the Faculty

Dr. Pankaj Maheshwari

A graduate from Nair Hospital and Dental College in 1984, Dr. Pankaj Maheshwari went on to complete a post graduate certificate course in Aesthetic and Cosmetic Dentistry from Encode (affiliated to SUNY University) Buffalo, New York. An accredited member and on the Board of Directors of Indian Academy of Aesthetic & Cosmetic Dentistry, he is currently the Vice-President of the organization for the year 2013-2014. An active participant in the conferences and seminars on Aesthetic dentistry in India, UAE, South-East Asia, Europe, & United States of America. He has been an invited speaker at numerous IAACD events in India and abroad. He has also been invited by the World Zoroastrian Congress, IDA branches and State Conferences, Famdent shows and various Dental Colleges for Lectures on Aesthetic Dentistry. Running a well established practice at Lokhandwala Complex in Mumbai, Dr. Maheshwari has also held the position of the President of the Rotary Club of Bombay Santacruz.

Testimonials from participants from the earlier workshops

Dr. Tarlok Singh, Jammu
This 5 day workshop has changed my style of practicing aesthetic dentistry.

Dr. Suchita Warerkar, Gurgaon
After having 20 years of practice, this was a complete eyeopener.

Dr. Niraalee, Mumbai
A must for young dentists and specialists.

Dr. Randhir Kishore, Delhi
Learning how to do precise, fine and excellent dentistry is the essence of this course.
