**Discontinuation Notice:**  
3M™ E-A-R™ E-Z INS™ EARPLUGS 350-4000 UNCORDED, 350-4001 CORDED

January 2015

Dear 3M Distributor,

Due to a change in suppliers and access to one of the raw materials, 3M has decided to discontinue the line of EZ-Ins Reusable Earplugs. 3M has a limited amount of finished goods available, which will be used to fill as many open orders as possible. Below are the impacted SKUs and replacement options.

The 2 SKUs below are discontinued as of 5 December 2014. Please inform channel partners and customers that this product is discontinued.

<b>EZ-Ins 3M IDs</b>	<b>Short Description</b>
350-4000	EZ-Ins Uncorded
350-4001	EZ-Ins Corded

Alternative reusable and push-to-fit earplugs that customers may want to consider ordering instead of the EZ-Ins products are listed below.

<b>Reusable Alternative</b>	<b>Push-to-Fit Alternative</b>
340-4001 UltraFit Uncorded, Carrying Case	318-1000 Push-Ins, Uncorded
340-4002 UltraFit Corded, Carrying Case	318-1001 Push-ins, Corded
311-1114 and 311-1115 Express Pods, Corded	
321-2100 and 321-2200 Express Pods, Uncorded	

If you have any questions, please contact Jason Jones at 651 737-1955.

Sincerely,

*Jason Jones*
