

Vehicle Clean-Up Process		
1		<p>Inspect Interior</p> <p>Remove any trash from the vehicle and blow out the air vents. Vacuum the interior of the vehicle including the ashtray, seat folds and trunk. Inspect the carpet and upholstery for any heavily-soiled stains that may require a pre-spot treatment.</p>
2		<p>Pre-Spot Carpet and Fabric</p> <p>Use 3M™ All Purpose Cleaner and Degreaser to pre-treat any stains or heavily soiled areas on carpet or upholstery. Dilute the 3M™ All Purpose Cleaner and Degreaser at a 1:15 dilution ratio. Lightly brush the soiled/stained area.</p>
3		<p>Pre-Clean Exterior</p> <p>Apply 3M™ Heavy Duty Wheel Cleaner at a 1:4 dilution ratio to clean brake dust from wheels. Apply 3M™ All Purpose Cleaner and Degreaser at a 1:15 dilution ratio to clean the engine, engine compartment, door jambs, wheels, tires and other hard to clean areas.</p>
4		<p>Rinse Vehicle Exterior</p> <p>Scrub, pressure wash, and rinse any areas where pre-cleaner was applied. Rinse the entire vehicle to remove loose dirt and debris.</p>
5		<p>Wash Vehicle Exterior</p> <p>Pre-soak any remaining bugs, soiled areas or compound residue using 3M™ All Purpose Cleaner and Degreaser at a 1:15 ratio. Wash the entire vehicle, then rinse. Dry, using a water blade or chamois as needed.</p>
6		<p>Apply Tire Dressing</p> <p>Dress the tires with a silicone-free tire dressing, being sure to remove the excess with an absorbent cloth.</p>
7		<p>Clean Interior and Glass</p> <p>Clean interior vinyl and leather using 3M™ All Purpose Cleaner and Degreaser at a 1:30 dilution ratio. Clean the interior and the exterior of the windows with glass cleaner. Use an extractor on carpet or fabric as needed.</p>
8		<p>Final Detail</p> <p>Apply a body shop safe spray detailer to the vehicle's exterior surfaces by misting on and wiping off. Spray detailer will remove any compound residue, dust or fingerprints and will also improve gloss.</p>

<p>3M™ Lexa™ Protective Eyewear, PN 15200</p>	

Individual Product Instruction and Safety Information

For individual product instructions and applicable precautions see product labels and associated literature for the individual product at www.3MCollision.com

For product material safety data sheets see www.3MCollision.com

Technical Information: The technical information, recommendations and other statements contained in this document are based upon tests or experience that 3M believes are reliable, but the accuracy or completeness of such information is not guaranteed.

Product Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty, Limited Remedy and Disclaimer: Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
