

Contract Ceradyne, Inc. (a 3M Company)
Supplemental Terms of Purchase-FAR/DFARS Clauses
U.S. Government No. W91CRB-14-C-0005
19 May 2016

The Federal Acquisition Regulations (FAR) and Defense FAR Supplement (DFARS) (“Flow Downs”) provisions are accessible at <https://www.acquisition.gov>. The Flow Downs apply to this Order to the extent required by applicable Federal law and/or regulations and have the same force and effect as if they were included in full text in the Order.

Identification and Traceability is a requirement under this contract. The supplier shall maintain traceability records for all component parts. All component parts shall be traceable through the end item product. Component part information shall enable traceability to the raw materials used in the component part. Records shall be maintained and readily available for review and audit verification when requested

The Contract has identified this system as having a Critical Safety Item Designation

Title	Notes
FAR 52.202-1 Definitions (NOV 2013)	To ensure a common understanding of terms defined in the prime contract.
