

Dry Sanding

Do you think it's
time for a new
one?

PPE typically used when dry sanding:

✓ Hand sanding

Safety specs
+
Disposable particulate
respirator

✓ Machine sanding

Use **polycarbonate**
lens goggles (2790)
for machine sanding
+
Disposable particulate
respirator

Items unsuitable for dry sanding:

Nuisance dust
mask

WHEN MACHINE
SANDING
Spectacles are
not to be used

For hygiene and protection start each day with a fresh respirator.

Protect Yourself.
