3M™ Trizact™ Finesse-it™ Film Disc 464LA

Fast and Easy Paint Repairs

Revolutionary abrasive construction lasts up to 2X longer than conventional abrasives.

Long Life.
Easy to
Use.

For use with the 3M™ Trizact™ Finesse-it™ Paint Defect Repair System

Engineered for fewer disc changes – more “picture-perfect” repairs!

The 3M™ Trizact™ Finesse-it™ Film Disc 464LA is constructed with a revolutionary surface topography that channels sanding debris away from the disc, significantly reducing the chance of loading. This not only gives Trizact Disc 464LA significantly longer life than conventional abrasives, but also reduces the need to stop and clean clogged discs. Trizact Disc 464LA combines extended life with a fast, consistent cut – for a perfect repair in less time.

- Non-loading surface extends disc life
- Same great finish as 466LA
- Removes most common defects in 2-3 seconds, for improved productivity

The secret behind the long life and fast cut of the 3M™ Trizact™ Finesse-it™ Film Disc 464LA lies in the precise, microreplicated system of channels that funnel sanding debris away from the disc. This prevents debris from building up between the abrasive structures, allowing fresh mineral to be continually exposed to the workpiece.

3M™ Trizact™ Finesse-it™ Paint Repair System Components

Abrasives		UPC	Grade	Features
3M™ Trizact™ Finesse-it™ Film Disc 464LA 1.25" Round		051141-27610-6	A3	Trizact abrasives remove the defect, leaving a consistent finish that is easy to polish out. <ul style="list-style-type: none"> • Long life • Fast cut rates
		051141-27611-3	A5	
		051141-27612-0	A7	
3M™ Trizact™ Finesse-it™ Film Disc 466LA 1.25" Round		051141-20515-1	A3	Trizact abrasives remove the defect, leaving a consistent finish that is easy to polish out. <ul style="list-style-type: none"> • The Industry Standard • Designed for Consistency and Control
		051111-56251-2	A5	
		051111-56288-8	A7	

Tools		UPC	Size	Features
3M™ Mini Random Orbital Nib Sander		051141-20244-0	1.25" Dia. 8,000 RPM	Light, powerful. Designed for improved operator control.
3M™ Nib Removal Sander 3125		051111-60536-3	1.25" Dia. 7,500 RPM	Right-angle design, for hard-to-reach areas.
3M™ Buffer 28333		051141-28333-3	3" Dia. 11,000 RPM	High torque, precise speed control.

Polishes		UPC	Features
3M™ Finesse-it™ Polish Extra Fine		051131-06002-9	A broad range of polishes used for removing sand scratches and swirl marks left from previous process steps.
3M™ Finesse-it™ Final Finish		051144-82878-4	
3M™ Finesse-it™ Polish – Purple		051111-51157-2	
3M™ Finesse-it™ Finishing Material		051144-13084-9	

Accessories		UPC	Size	Features	
3M™ Finesse-it™ Roloc™ Sanding Pad (PN 02345)		051111-50198-6	1.25" Vinyl Face	Backup pad for use with 3M Mini Random Orbital Nib Sander. Features Roloc™ attachment system.	
3M™ Finesse-it™ Disc Pad (soft) (PN 3125P)		05111-60537-0	1.25" Vinyl Face	Soft backup pad provides good flexibility. For use with 3M Nib Sander 3125.	
3M™ Hookit™ Disc Pad (PN 28472)		051141-28472-9	3" Diameter	Dense foam backup pad with Hookit™ attachment system, for use on 3M Buffer 28333. Has ¼ - 20 EXT thread.	
3M™ Finesse-it™ Foam Buffing Pad – Grey Foam		PN 25134	051141-25134-9	3.25" Diameter	Foam pads for applying the Finesse-it™ Polishes. Provides an excellent finish. Fast recovery foam cuts faster, lasts longer, uses less polish.
		PN 25135	051141-25135-6	3.75" Diameter	
3M™ Finesse-it™ Foam Buffing Pad		PN 02648	051111-51151-0	3.25" Dia. General Use	Foam pads for applying the Finesse-it™ Polishes. Provides an excellent finish.
		PN 02637	051111-51158-9	3.75" Dia. For Contours	
Scotch-Brite™ High Performance Cleaning Cloth (PN 2021)		048011-26224-1	20" x 18"	Unique microfiber construction provides excellent pickup with minimal linting.	

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
