

3M™ SX™ 2000 Series

Eye Protection

Engineered
for Safety
Designed for Style

Design that demands compliance

For a contemporary sporty styled lens and frame that delivers the protection you require, look no further than 3M™ SX™ 2000. The polycarbonate lens wraps around the face to provide extensive front and side coverage. The design offers an excellent, distortion-free viewing range. Combined with 3M's DX™ coating for resistance to fogging, scratching, chemical attack and static, the SX2000 is a popular choice.
