Catalog Terms and Conditions of Sale

The Terms and Conditions of Sale apply to all products ordered from 3M Unitek.

Orders

To facilitate filling your order, please be as specific as possible. Orders must specify product number, quantity desired and any descriptive information (e.g. size or color).

Items submitted in connection with Incognito™ Appliance System orders become the property of 3M Unitek and will not be returned.

Prices and Terms

Please consult our current price list or call our toll free number listed below. Policies and terms are subject to change without notice. Terms are net 30 days, except payment for the Incognito Appliance System is due at the time of the order.

Shipments

All shipments are FOB point of origin. Each shipment will be accompanied by an itemized packaging list. An invoice covering each shipment will be forwarded promptly.

Back-Orders

In some instances, products listed in our catalog may be temporarily out of stock. In-stock items will be shipped immediately and any back-ordered items will be delivered as soon as possible. There will be NO additional shipping charges on Domestic back orders, however International shipments will be charged.

Returns

- Returns within 30 days from the date of shipment will be accepted for a full refund
- Returns within 31-90 days from the date of shipment will incur a 20% restocking fee
- Returns over 90 days from the date of shipment will not be accepted

Credit will be issued provided that:

- Product is unused and in resaleable condition; and
- A copy of the invoice of sale or the package slip accompanies the product.

The following products are not returnable:

- Custom products (bands and bases with welded assemblies)), including the Incognito™ Appliance System
- 2. Doctor's specials
- 3. Products requiring refrigeration
- 4. Opened chemical products

If the return is due to defective product or 3M Unitek error, full credit will be issued, provided the return is made within the period specified in any applicable 3M Unitek warranty. To facilitate your return, you must contact Customer Service at the number listed below to obtain an authorization number.

Product Use

Buyer is responsible for evaluating whether a product is appropriate for a particular use or application. The conditions of evaluation, selection, and use of a product can vary widely and affect the use and application of a product. Because many of these conditions are uniquely within the buyer's knowledge and control, it is essential that buyer evaluate whether the product is suitable and appropriate for a particular use or application.

Warranty and Limited Remedy

Except for the products with special warranty provisions noted below, 3M Unitek warrants that all products are free from defects in materials and manufacture. 3M Unitek's sole obligation and the buyer's sole remedy in the event of any claimed defect shall be, at 3M Unitek's option, repair of the product, replacement of the product, or refund of the purchase price. Written notice of claimed defect must be received by 3M Unitek at the address below within reasonable time after discovery not to exceed one year from the date of delivery.

Unitek[™] Hand Instruments Special Warranty Information

3M Unitek warrants that this instrument will be free from defects in materials and manufacture for a period of 1 year from the date of purchase. Failure to follow recommended use, maintenance and sterilization procedures will void all warranty claims. Recommended maintenance includes cutter tip/blade re-sharpening and reconditioning (cleaning, polishing, adjusting screw as necessary) every six months. 3M Unitek's sole obligation and customer's sole remedy in the event of a claimed defect shall be limited to, at 3M Unitek's option, repair, replacement of the product, or refund of the purchase price.

All instruments should be sent to the 3M Unitek Authorized Service Center at the address below for evaluation to determine credit, replacement, or repair. The Authorized Service Center will determine, upon receipt of instrument, if the instrument is to be covered by warranty. Materials and manufacturing are the only items covered by this warranty. Misuse or abuse will void warranty. Buyer will be contacted regarding repair charges for out of warranty instruments.
