

3M Application Profile

Market: General Industrial

Application Description: Fine line masking of various surfaces/objects during painting.

Key Application Requirements

Conformability, chemical resistance, sharp paint edge and clean removable.

Product or Process Replaced

Benefits/Advantages To Customer

Clean removal: 3M™ Vinyl Tape 471 has clean removal with no adhesive residue in most applications.

Conformable backing: Vinyl backing conforms to complex curves and has good dead stretch to minimize lifting.

Chemical resistance: Resists many chemicals present in paints and industrial cleaners.

Abrasion resistance: Vinyl will withstand moderate abrasion.

PRODUCT

3M™ Vinyl Tape 471

Process

3M™ Vinyl Tape No. 471 is generally applied by hand to a wide variety of surfaces, curves and shapes that are difficult to adhere to. The flexibility and conformability gives protection where many other products may fail in the area of lifting, flagging and handling.

Additional Product Information

3M Vinyl Tape 471 is available in 10 colors plus transparent. Its backing has excellent conformability, and the rubber-based adhesive system offers good adhesion to most surfaces.

Other Markets to Consider

Automotive, Marine and Specialty Vehicles, Construction, Electronic, Furniture and Woodworking, MRO

Product Use

All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

Warranty and Limited Remedy

Unless stated otherwise in 3M's product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packages. **3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.** User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.

Limitation of Liability

Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including warranty, contract, negligence, or strict liability.
