# 3M™ General Purpose Sorbents

The unique 3M general purpose sorbents high fluid capacity means the need to change the sorbent is less frequent, saving on material, labour and disposal costs. 3M general purpose sorbents are designed to help maintain a clean and safe working environment.

## 3M™ General Purpose Sorbent Pad

3M™ General Purpose Sorbent Pads are great for everyday use and can be used to clean up and recover spilt liquids. Ideal for placing under and around machines to catch drips, pads can be left to soak up spilt liquids. 3M™ General Purpose Pads can also be used as a highly absorbent wipe and are very versatile for getting at hard to reach areas.

**Product Code:** M-PD1520DD

**Dimensions:** 40cm x 52cm

**Capacity:** 1.4L/ pad

**3M Order Code:** 70070408755

**Packaging:** 100 pad / case

## 3M™ General Purpose Sorbent Boom

Because of their tube-like shape, 3M™ General Purpose Booms are typically used to encircle spills and to contain leaks. Also, ideal for placing under and around machines to stop those annoying leaks.

**Product Code:** M-MB308

**Dimensions:** 2.4m x 7.5cm

**Capacity:** 7.5L / boom

**3M Order Code:** 70070313567

**Packaging:** 6 booms / case

## 3M™ General Purpose Folded Sorbent

A 3M™ General Purpose version of our unique folded sorbent. Able to be used as a boom, sheet, pad, or pillow, it allows one product to be stocked for almost any fluid spill. Perforations every 40cm allow the required length to be torn off and used, so there is no waste.

**Product Code:** M-FL550DD

**Dimensions:** 45cm x 15m

**Capacity:** 40L/ box

**3M Order Code:** 70070408771

**Packaging:** 3 boxes / case
