

May 2009

**New Product Announcement**  
**3M™ Respirator Replacement Strap 7580**  
**(Replacement strap for use with the 3M™ Respirator 7501, 7502 and 7503)**

Dear Valued Customer,

3M Occupational Health and Environmental Safety Division (OH&ESD) is pleased to announce the introduction our new 3M™ Respirator Replacement Strap 7580. This product release is in direct response to strong customer demand.

Until now, customers could only get replacement straps as part of a total harness assembly. As of May 2009, customers will be able to obtain the strap without purchasing the entire harness assembly. We will continue to provide the harness assembly for those who require the head harness and exhalation valve cover. The price and ordering details for both products are as follows:
