

“With its flexible architecture, full auditing capabilities, including duplicate issuance prevention and biometric capabilities, 3M IDIS is an ideal solution,” said Rich Sanders, business manager, 3M Security Systems Division. “A user interface with a methodical workflow ensures all the proper checks have been performed, yet is friendly enough to allow novice users to be rapidly trained. 3M is pleased to support CARICOM in its efforts to ensure that the Cricket World Cup is a successful and peaceful international sporting competition.”

3M brings more than 30 years of experience, a global presence, technical innovation and a strong customer focus to the secure document marketplace. Our solutions cover a broad spectrum of enhanced travel and border security, including document issuance and border management.
