Versatility
Quality at the right price

Meet the need for general sign, POP and floor graphic applications with 3M™ Scotchcal™ Graphic Film with Comply™ Adhesive Series IJ40C.

A versatile product for many applications in either gloss (film IJ40C-10) or matte (film IJ40C-20) finish.

The air release channels in the Comply™ Adhesive, allow for fast, easy, virtually bubble-free graphic applications, reducing the risk of application waste. The film is also easily removable with heat.

When image quality matters, count on film series IJ40C to deliver consistent quality and reliable performance.
