

Liquid Stainless Steel Cleaner and Polish

Technical Data

March 2009

Description:

3M™ Liquid Stainless Steel Cleaner and Polish is designed to clean and polish metals and other hard surfaces in one step.

Special Features:

- Thick, creamy formula provides smooth application and clings to vertical surfaces
- Cleans and polishes in one step with a pleasant citrus fragrance
- Leaves no greasy build-up on surfaces.
- Leaves a light protective film after cleaning.
 - Masks blemishes
 - Slows resoiling
 - Helps reduce fingerprinting
 - Resists streaking
- Non-flammable formula.

Applications:

- Suitable for use on stainless steel, chrome, architectural aluminum, and other interior metal surfaces.
- Can be used on other hard washable surfaces such as laminated plastics, enamel and ceramic.
- Not intended as a glass cleaner.

Packaging:

- 32-ounce bottle (quart)
6 bottles per case with one trigger sprayer
- 1-gallon container
4 per case

Both quarts and gallons contain ready-to-use product.

General Use Directions:

Light soiling:

1. Shake thoroughly.
2. Apply a small amount of cleaner to the surface using a trigger sprayer or clean cloth.
3. Clean entire area and polish to desired shine using clean dry cloth.

Heavy soiling:

1. Apply a liberal amount of 3M™ Stainless Steel Cleaner and Polish onto a Scotch-Brite™ Light Duty Cleansing Pad No. 98 or Scotch-Brite™ Light Duty Scrub Sponge No. 63.
2. Vigorously rub the surface to remove the heavy soil. Always rub stainless steel in the direction of the grain.
3. Wipe surface with a terry cloth towel to remove the excess cleaner from the surface.
4. Using a clean dry cloth, buff in the direction of the grain to achieve maximum shine.

Product Specifications:

(Typical Values)

1. pH: 7
2. Flash Point: Approximately 208F
3. Solubility in water: No data available
4. Specific Gravity: Approximately 1
5. Viscosity: No data available
6. Boiling Point: Approximately 212°F
7. Fragrance: Mild citrus fragrance
8. Appearance: Creamy, white emulsion

Precautionary Summary:

Eye Contact: Mild eye irritation

Suggested First Aid: Flush eyes with large amounts of water.
