Institut of the International Association for Research
and Testing in the Field of Textile Ecology

The company

3M Laboratories (Europe) GmbH

D-41453 Neuss, Hansastraße 9

Is granted authorization according to Oeko-Tex Standard 100 to use the
Öko-Tex mark, based on our **test report number 36 695**

for the following articles:

**Printing with 3M SCOTCHLITE reflective silk,
screen printing ink 8010, charcoal grey
on basis of starting materials already certified
according to Öko-Tex Standard 100**

The results of the inspection made according to Öko-Tex Standard 100 -
Product class III - have shown that the above mentioned goods meet the
human-ecological requirements of the standard presently established
for products without direct contact to skin.

The certified articles fulfil the requirements of the existing European
legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration
according to EN 14 014, is obliged to use the Öko-Tex mark only in
connection with products that are conform with the sample initially tested.

This authorization is valid until 2001-01-31.
