## Neutral Floor Cleaner

### Technical Data

March 2006

#### Description:

3M™ Neutral Floor Cleaner is specially designed to clean any washable hard floor. It can also be used as a restorer for use prior to buffing or burnishing. It cleans floors as well as restores gloss and luster to floor finishes.

#### Special Features:

- Maintains high gloss on floor finish
- No rinsing required
- Low sudsing, neutral formulation will not harm floors or leave a soapy residue
- Excellent cleaner designed for regular use

#### Applications:

- Use on washable hard floor surfaces
- Use in your regular floor maintenance program to keep your floors clean
- Use in your buffing or burnishing program to help restore gloss and luster to your floor finish

#### Packaging:

##### Concentrate:

4 – 1 gallon bottles per case  
2 – 2.5 gallon bottles per case  
55 gallon steel drum

**Note:** Protect from freezing and keep away from heat and sparks.

#### General Use Directions:

3M™ Neutral Floor Cleaner can be used when manually cleaning with a damp mop or when using an automatic scrubber. You can spray buff immediately after cleaning, with no rinse required. It can also be used as a restorer, prior to buffing or burnishing.

#### Dilution of Concentrate:

Mix 1 part concentrate with 64 parts cool water / 2 ounces per gallon of water

#### Product Use Instructions:

To clean soiled floors:

1. Sweep or dust mop floor.
2. Damp mop floor with diluted cleaner.
3. Allow floor to dry. No rinsing is required.

To clean heavily soiled floors:

1. Sweep or dust mop floor.
2. Mop floors with diluted solution and scrub as required using a floor machine and an appropriate 3M floor pad.
3. Damp mop with diluted cleaner.
4. Allow floor to dry.

To use as a restorer:

1. Follow above directions (soiled) floors.
2. Buff or burnish floors with appropriate 3M floor pad.

#### Product Specifications:

(Typical Values)

1. pH: 9.8 in concentrate
2. Flash point: 205° F
3. Solubility in water: Complete
4. Specific gravity: 1.0
5. Viscosity: <100 Centipoise
6. Boiling point: 212° F
7. Fragrance: Citrus
8. Appearance: Light blue color

#### Precautionary Summary:

**Eye Contact:** Mild eye irritant.

Suggested First Aid: Flush eyes with large amounts of water.

**Skin Contact:** Contact with the skin during product use is not expected to result in significant irritation.

Suggested First Aid: Wash affected area with soap and water.

**Inhalation:** Respiratory tract irritation.

Suggested First Aid: Remove person to fresh air.

#### Note:

**Refer to product Material Safety Data Sheet (MSDS: 10-9285-7) for specific health hazard, first aid and precautionary information**
