

# Clean your flat top griddle faster and safer.

## Quickly loosen and lift carbonized grease and food soil from your griddle.

### More Concentrated Liquid

Scotch-Brite™ Quick Clean Griddle Cleaning Liquid contains 2X less water than competitors liquid griddle cleaner. This ensures more cleaning liquid remains on the hot surface while cleaning, which helps loosen and lift burnt-on grease and food soil easily.

### Safe on Your Customers

Ingredients in the liquid are "Generally Recognized as Safe" (GRAS) in food by the US FDA and have been classified as a food additive.

Certified as "Food Safe" and "Fit for Purpose" by HACCP International.

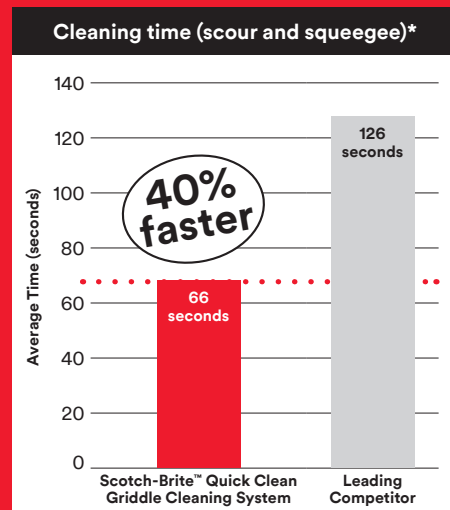

Meets the Green Seal™ Standard for Specialty Cleaning Products for Industrial and Institutional Use, GS-53, by avoiding ingredients that are toxic or harmful to humans and the environment.

### Safe for Employees

Long-handled tools help prevent burns by keeping user's hands away from the hot griddle surface.

A study shows the Scotch-Brite™ Quick Clean Griddle Cleaning System cleaned a food soiled griddle 40% faster!\*

\*Based on time to clean equivalently soiled griddle surfaces with a baked-on food soil mixture. For full evaluation details, visit [3M.com/foodservice](http://3M.com/foodservice).

# Three simple steps to a clean griddle.

**Concerned about Food Safety?** The Scotch-Brite™ Quick Clean Griddle Cleaning System is certified as “Food Safe” and “Fit for Purpose” by HACCP International!

## 1 SQUIRT

Squirt Scotch-Brite™ Quick Clean Griddle Liquid 700-40 or 701 onto hot griddle (300–350°F). The bubbling of this powerful liquid lifts and loosens stubborn burnt-on food soil and grease from the griddle surface.

## 2 SCOUR

Scour using the Scotch-Brite™ Quick Clean Heavy Duty Griddle Pad 746 and the Scotch-Brite™ Multi-Purpose Pad Holder 405-R, apply light pressure and gently scour the griddle.

## 3 SQUEEGEE

Squeegee away excess dirty liquid using the Scotch-Brite™ Squeegee 410, leaving the griddle clean. No water rinse required.

The Scotch-Brite™ Quick Clean Griddle Liquid contained in this kit meets Green Seal™ Standard GS-53 based on effective performance, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.
