**Polymeric film.  
Applied to saving surfaces  
from the daily grind.**

# Scotchgard™ Surface Protection Film 2200 comes between you and the things that degrade surfaces.

## Thin, almost invisible, film. Substantial protection.

You know the impact harmful liquid drips, spills, heavy traffic, rolling chairs and other finish-eroding events can have on your floors. Now you know a way to prevent it: Scotchgard™ Surface Protection Film 2200.

## You'll wonder where the wear and tear went.

Scotchgard™ Surface Protection Film 2200 is designed to protect stone and vinyl flooring, bathroom surfaces and walls from the everyday challenges they are subjected to. It can be applied to waxed vinyl, sealed concrete, marble, ceramic tile, terrazzo and more.

### Typical uses\*:

- Building entrances
- Airports
- Underneath chairs and furniture
- Rolling beds
- Cafeteria lines and dining areas
- Retail aisles
- Bathroom surfaces and floors
- Classroom chairs and more

\*Not recommended for food contact surfaces

## Spills and drips

## Protect floors, walls and budgets.

This protective film reduces the number of stripping and recoating events a surface requires – which saves you time, labor and money.

## Easy to install. Easy to remove.

No special tools or techniques are required to install and remove Scotchgard™ Surface Protection Film 2200. One-, two- or four-foot squares can be easily applied to surfaces in minutes. They can also be easily removed prior to floor stripping or refinishing.

## Finish-eroding events

## Meet your standards. And the industry's.

Scotchgard™ Surface Protection Film 2200 is compatible with standard floor cleaning procedures, as well as floor disinfectants, cleaners and coatings. In addition, it has been certified by the National Floor Safety Institute (NFSI) as providing “High Traction”.

Your floors aren't finished until you protect the areas that need it with Scotchgard™ Surface Protection Film 2200.

Try a sample on a wear-challenged surface in your facility, and see what a difference it can make.
