

3M™ Soft Cloth Tape on Liner

Gentle Conformable Easy-to-use

3M is committed to offering a variety of medical tape solutions, helping you meet the unique requirements of your patients. Featuring an s-slit liner with a printed grid, 3M™ Soft Cloth Tape on Liner can be easily cut to a desired size and is easy to apply. It is both breathable and gentle on the skin supporting a broad range of applications including the securement of tubing, devices, and dressings. 3M™ Soft Cloth Tape on Liner is gentle enough for at-risk skin, strong enough for critical securement, and stretches to accommodate movement or swelling, making patient care and comfort the number one priority.

3M™ Medical Tapes

Because
Tape Matters

3M

Features and Benefits:

- Good adhesion, yet gentle on the skin
- Excellent cross and diagonal stretch to accommodate movement or swelling
- S-slit liner for easy application and removal
- Printed grid liner for custom cutting to desired size
- Paper core to support handling
- Wave patterned adhesive coating for better breathability and patient comfort
- Hypoallergenic and latex-free

Suggested Applications:

- Securing dressings, tubing or devices (eg. drainage tubes or catheters)
- Securing over areas where skin may stretch (eg. edema, distention, hematoma formation or movement)
- When repeated taping is needed
