1. Unique identification code of the product-type:

   3M™ Fire Barrier Cast-In Device

2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4):

   BN12345
   BN = Batch Number
   12345 = Manufacturing Digit

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   3M™ Fire Barrier Cast-In Device is used as a system to reinstate the fire resistance performance of rigid floor constructions where they are penetrated by various combustible pipes and cables.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):

   3M Deutschland GmbH
   Carl-Schurz-Strass 1
   D-41453 Neuss
   Germany
   http://www.3m.com/

5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

   No Performance Determined

6. System or systems of assessment and verification of constancy of performance of the construction product as set out in CPR, Annex V:

   System 1

7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   No Performance Determined

8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

   3M™ Fire Barrier Cast-In Device has been issued an European Technical Approval (ETA-13/0881) by the notified body UL International (UK) LTD on the basis of ETAG 026-2 (Guideline for European Technical Approval of Fire Stopping and Fire Sealing Products Part 2 Penetration Seals: 2008-01-01)

   Notified Body, UL International (UK) LTD, NB 0843, performs the initial inspection of manufacturing plant and of FPC and issued the confirmation of conformity No 0843-CPD-0145.
9. Declared performance
