Fire Barrier 3000WT Intumescent Silicone Sealant

Declaration of Performance

according to Annex III of Regulation (EU) No 305/2011

N° 3M FB 3000WT 1121-CPR-JA5006

1. Unique identification code of the product-type:

2. **3M™ Fire Barrier 3000WT Intumescent Silicone Sealant**

2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4):

   - 298 ml Cartridges
   - 2 = last digit of year
   - 183 = julian date
   - AS = random batch code

   - 591 ml Sausages
   - 2 = last digit of year packaged
   - 183 = julian date manufactured

3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

   3M™ Fire Barrier 3000WT Intumescent Silicone Sealant is used as a system to reinstate the fire resistance performance of flexible and rigid wall and rigid floor constructions where they are penetrated by various cables and metallic pipes.

4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5):

   3M Deutschland GmbH
   Carl-Schurz-Strass 1
   D-41453 Neuss
   Germany
   [http://www.3m.com/](http://www.3m.com/)

5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

   No Performance Determined

6. System or systems of assessment and verification of constancy of performance of the construction product as set out in CPR, Annex V:

   System 1

7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:

   No Performance Determined

8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

   3M™ Fire Barrier 3000WT Intumescent Silicone Sealant has been issued an European Technical Approval (ETA-13/0413) by the notified body Warrington Certification Limited on the basis of ETAG 026-2 (Guideline for European Technical Approval of Fire Stopping and Fire Sealing Products Part 2 Penetration Seals: 2008-01-01)

   Notified Body, Warrington Certification Limited, NB 1121, performs the initial inspection of manufacturing plant and of FPC and issued the confirmation of conformity No 1121-CPR-JA5006
9. Declared performance
