**Vehicle Clean-Up Process**

1. **Inspect Interior**
   - Remove any trash from the vehicle and blow out the air vents. Vacuum the interior of the vehicle including the ashtray, seat folds and trunk. Inspect the carpet and upholstery for any heavily-soiled stains that may require a pre-spot treatment.

2. **Clean Interior Carpet and Fabric**
   - Dry brush and vacuum. Using Meguiar’s® All Purpose Cleaner (10:1), scrub with nylon brush. Use a towel or extractor with hot water only to remove product from carpet mat.

3. **Pre-Clean Exterior**
   - Apply Meguiar’s® Wheel and Tire Cleaner (10:1) to wheel rim area in order to clean brake dust and debris from wheels. Apply Meguiar’s® All Purpose Cleaner (10:1) or Meguiar’s® Citrus Power Cleaner Plus (10:1) to engine, engine compartment, door jambs, wheels, tires and other hard to clean areas.

4. **Rinse Vehicle Exterior**
   - Scrub, pressure wash, and rinse any areas where pre-cleaner was applied. Rinse the entire vehicle to remove loose dirt and debris.

5. **Wash Vehicle Exterior**
   - Pre-soak any remaining bugs, soiled areas or compound residue using Meguiar’s® All Purpose Cleaner (10:1). Wash the entire vehicle using a foam or microfiber hand mit and Meguiar’s® Shampoo Plus mixed appropriately with water in a pail. Rinse thoroughly. Dry, using a water blade or chamois as needed.

6. **Apply Tire Dressing**
   - Dress the tires with a silicone-free tire dressing, being sure to remove the excess with an absorbent cloth.

7. **Clean Interior**
   - Working from top down, clean all vinyl and plastic surfaces with Meguiar’s® All Purpose Cleaner (10:1), excluding clear plastics. Use interior brush and detail brush where required. Dry with cotton towel. Do not use All Purpose Cleaner on clear plastics.

8. **Clean Glass**
   - Wipe down all interior and exterior glass surfaces with Meguiar’s® Glass Cleaner (10:1). Using the two towel method, first clean with a cotton Terry towel followed by a dry microfiber towel. Make sure the final wipe is in vertical motion on the outside of the windows and horizontal motion on the inside of the windows.

9. **Final Detail**
   - Apply a body shop safe spray detailer to the vehicle’s exterior surfaces by misting on and wiping off. Spray detailer will remove any compound residue, dust or fingerprints and will also improve gloss.

**Product List**

- Meguiar’s® Shampoo Plus, 1 gallon, PN D1101
- Meguiar’s® Citrus Power Cleaner Plus, 1 gallon, PN D10701
- Meguiar’s® All Purpose Cleaner, 1 gallon, PN D10101

Technical Information: The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information.

Product Selection and Use: Many factors beyond 3M’s control and uniquely within user’s knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer’s application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M’s option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
