

Product Change Notice

3M™ Boardmount Socket, 2 mm x 2 mm, 1502 Series

Issue Number: 931

Date: September 1, 2015

Product Ordering Information Changes

3M is changing the stock numbers (SKUs) and universal product codes (UPCs) of Boardmount Sockets, 2 mm grid, 1502 Series. Minimum order quantities and lead times will remain the same.

Parts covered by this change include:

1502XX-2XXX

1502XX-6XXX

The file accompanying this notice details the changes. The physical product remains in form, fit and function the same. This affects technical data sheet TS-0519.

Effective Date

The ordering information will change on September 15, 2015. The new SKUs and UPCs must be used after this date to ensure continuity of supply and no delay in processing orders.

Important Notice

All statements, technical information, and recommendations related to 3M's products are based on information believed to be reliable, but the accuracy or completeness is not guaranteed. Before using this product, you must evaluate it and determine if it is suitable for your intended application. You assume all risks and liability associated with such use. Any statements related to the product which are not contained in 3M's current publications, or any contrary statements contained on your purchase order shall have no force or effect unless expressly agreed upon, in writing, by an authorized officer of 3M.

Warranty; Limited Remedy; Limited Liability.

This product will be free from defects in material and manufacture for a period of one year from the time of purchase. 3M MAKES NO OTHER WARRANTIES INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If this product is defective within the warranty period stated above, your exclusive remedy shall be, at 3M's option, to replace or repair the 3M product or refund the purchase price of the 3M product. Except where prohibited by law, 3M will not be liable for any direct, indirect, special, incidental or consequential loss or damage arising from this 3M product, regardless of the legal theory asserted.
