

3M™ CMP Pad Conditioner Brush PB33A-1

Product Description

3M™ CMP Pad Conditioner Brush PB33A-1 helps enable critical semiconductor soft pad applications. 3M™ CMP Pad Conditioner Brushes are designed with CMP control, consistency, cost of ownership and customization in mind, and enable you to benefit from collaboration with 3M's global technical capability and manufacturing capacity.

Key Features

- Polymer substrate enhances corrosion resistance and reduces risk of metal contamination
- Durable brush bristles assist with removal of pad debris from poromeric and felt-based pads
- Screw on connection to polishing tool end effector

3M™ CMP Pad Conditioner Brush PB33A-1

Product Construction/Material Description

Note: The following technical information and data should be considered representative or typical only and should not be used for specification purposes.

3M™ Pad Conditioner Brush PB33A-1	
Carrier Substrate	Polycarbonate, black
Carrier Size (Diameter)	4.25 in
Fiber Material	Nylon Fiber
Abrasive Working Surface	Full Face

3M™ Pad Conditioner Brush PB33A-1

Typical Physical Properties and Performance Characteristics

Note: The following technical information and data should be considered representative or typical only and should not be used for specification purposes. Final product specifications and testing methods will be outlined in the product's Certificate of Analysis (COA) that is shipped with the commercialized product.

Property	Value
Fiber Length (nominal)	0.21 in
Fiber Density	>4000/sq.in.
Fiber Diameter (nominal)	0.005 in

Application Ideas

Universal CMP brush for soft pad applications (e.g. copper barrier, dielectric and metal buff applications)

Storage and Shelf Life

The shelf life of 3M™ Pad Conditioner Brush PB33A-1 is 2 years from the date of manufacture when stored in the original packaging materials at 21°C (70°F) and 50% relative humidity.

Certificate of Analysis (COA)

The 3M Certificate of Analysis (COA) for this product is established when the product is manufactured and deemed commercially available from 3M. The COA contains the 3M test methods, specifications limits and test results for the product's performance attributes that the product will be supplied against. Contact your local 3M representative for this product's COA.

Safety Data Sheet: Consult Safety Data Sheet before use.

Regulatory: For regulatory information about this product, contact your 3M representative.

Technical Information: The technical information, recommendations and other statements contained in this document are based upon tests or experience that 3M believes are reliable, but the accuracy or completeness of such information is not guaranteed.

Product Use: Many factors beyond 3M's control and uniquely within user's control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty, Limited Remedy, and Disclaimer: Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification on the Certificate of Analysis, which is established when the product is manufactured and deemed commercially available and is provided at the time 3M ships the product. **3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OR TRADE.** If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.

Disclaimer: For industrial use only. Not intended, labeled or packaged for consumer sale or use.
