Minimum training, maximum results.

▶ The one that gets it done

Patented technology* traps up to 8X more dirt, dust and sand than conventional flat fringed cotton dust mops or a competitive sweeping dust cloth brand.

▶ Hair beware

With the power to trap more hair than traditional dust mops, these sheets are perfect for veterinarians and hair salons.

▶ Here, there and everywhere

Works on nearly every surface — perfect for retail, healthcare, schools, hotels, gyms, banks and more.

▶ Just what the doctor ordered

Convenient disposable sheets, no laundering required — excellent for clinics and hospitals.

▶ Clean the biffy in a jiffy

Glides through and traps debris, including hair — even on wet floors.

▶ Glitter be gone

Ideal for picking up difficult debris like glitter and other small particles.

▶ When you must control the dust

Traditional dusting tools just move dust around. These sheets trap it and hold on to it.

▶ Because sweeping shouldn't be a drag

Lower drag reduces worker fatigue.

▶ You'll flip for it

After one side of the sheet is saturated, simply flip it over and use the other side.

Works with nearly any tool, anywhere you need to clean.
