

The Multipack Solution

Grab attention with custom printed Scotch® Multipack Tape and 3M™ Carry Handles.

Convenient Carry Handles hold up to 50 lbs.

The Pouch Bundling Solution

- Enhanced shelf presence and convenience for consumers.
- Increased productivity for manufacturers and co-packers.
- Flexibility to run seasonal promotions and develop unique offerings for retailers.

The Multipack Solution offers Scotch® Multipack Tape and 3M™ Carry Handles combined with Multipack packaging equipment.

Pouch bundling methods on back side.

Choose the bundling configuration that meets your needs:

Scotch® Multipack Tape applied to the bottom and 3M™ Carry Handle

Scotch® Multipack Tape in belly-band format and 3M™ Carry Handle

Scotch® Multipack Tape in belly-band format

The Multipack Solution

A unique packaging solution to help grow your business. Here's how to get started:

Choose Your Materials

1. Scotch® Multipack Tape
