3M™ Printable Fabric 9100

Going all out to promote your brand.

Create eye-catching and durable outdoor graphics that stand the test of time.

A great brand experience starts before your customers take a single step inside. Welcome your guests with bright and vibrant fabric awnings, umbrellas, banners and sign flags using 3M™ Printable Fabric 9100. Tell your brand story like never before with digitally printed fabric that creates a more upscale look with its softer feel. It's easier to process at the graphic manufacturer and easier to ship because it's lighter. Best of all, it's backed by the 3M™ MCS™ Warranty, which guarantees that each warranted component has been extensively tested for durability and designed to maintain excellent image quality.
