

3M Science.
Applied to Life.™

Delivering a world of comfort to you.

The 3M™ Versaflo™ Powered Air Turbo TR-603E-ASB, combined with the 3M™ Full Face Mask 7900PF can be used in asbestos/abatement environments bringing all the protection, comfort and simplicity you need.

Easy cleaning and decontamination

- ▶ Smooth shape
- ▶ Suitable for shower decontamination (IP54) & temporary submersion (IP67)
- ▶ Easy clean belt – submersible belt with smooth surfaces allows easy, thorough cleaning

Comfortable Airflow

- ▶ TR-600 delivers constant 180lpm steady airflow as battery discharges or filter loads with particulates

Ease of Use

- ▶ Display shows battery charge status and particulate filter loading status during use
- ▶ Charge status is also indicated by a useful LED display on the battery
- ▶ No user calibration of turbo required
- ▶ Electronic audible, visual and vibratory alarm
- ▶ Intelligent fast-charging single station battery charger

System Protection, Traceability & Security

- ▶ Approved to EN 12942 Class TM3
- ▶ Unique serial numbers applied on the turbo, face mask and battery
- ▶ Maintenance certificate delivered with each starter kit

Full Face Mask 7900PF

- ▶ Double faceséal for a reliable fit
- ▶ Large polycarbonate lens with wide field of view
- ▶ Quick-release buckles
- ▶ Six-strap harness
- ▶ Soft and pliable silicone
