

3M Science.
Applied to Life.™

More comfort. Less obstruction.

Protective eyewear that stays out of the way of the work.

Lightweight? Check.
Wraparound protection? Check.
Sporty look? Check.
Workers like the contour fit of
3M™ Virtua™ Protective Eyewear
V6X. You'll like the value.

3M™ Virtua™ Protective Eyewear V6X merges outstanding style, protection and affordability, all while offering wraparound coverage and soft temples tips that help relieve hot spots around the ears. Designed for indoor or outdoor use, Virtua V6X protective eyewear is a valuable and safe choice.

This economy line of safety glasses combines style, protection and affordability to safeguard workers on jobsites. Providing a wide viewing area, the wraparound design shields to keep eyes more fully protected. Contoured temples fit comfortably and snugly without pressure points but also without looseness that causes shifting.

Features and Benefits:

- Virtua V6X safety glasses meet the requirements for ANSI Z87.1-2010
- Economy-rated glasses merge style, fit, lightweight comfort, and affordability
- Sporty looks complement the appearance of the wearer
- Wraparound design provides extended eye protection and unobstructed viewing
- Polycarbonate lenses absorb 99.9% UVA and UVB

3M offers a wide array of protective eyewear to fit the needs of your work and your style - 3M.com/SEE3M

⚠WARNING

1) This eyewear meets the requirements of certain industrial eyewear standards and provides limited eye protection. The lenses are impact resistant but not unbreakable. They do not provide complete eye protection from severe impact and penetration and are not a substitute for good safety practice and engineering controls. Misuse may result in serious injury including blindness or death. For proper use, see supervisor, refer to the product *User Instructions* or contact 3M Technical Service in the USA at 1-800-243-4630. In Canada, call 1-800-267-4414. (2) Always use both hands to put on and remove eyewear. Failure to follow these instruction may results in serious injury.
