3M Sit/Stand Easy Adjust Keyboard Tray, Adjustable Platform, Gel Wrists, Precise Mouse Pad, 23 in Track, Black (AKT180LE)

Create a Customized Workstation

An ergonomic workstation offers the benefit of improved circulation and the reduction of repetitive stress injuries. With the Sit/Stand Easy-Adjust Keyboard Tray, you'll have the flexibility to alternate between sitting and standing positions while you work for a more ergonomic work area. With a 23-inch track length, the Sit/Stand Easy-Adjust Keyboard Tray is suitable for corner desks or straight desks with a minimum 23-1/4-inch mounting depth.

A Wide Range of Easy Adjustability

By adjusting the height of the keyboard without changing the tilt angle, and vice versa, you'll enjoy optimal ergonomic benefits. The Sit/Stand Easy-Adjust Keyboard Tray can easily be raised up to 10 inches above and 4 inches below the mounting surface, allowing you to move between sitting and standing positions. With a forward tilt of 10 degrees and a backward tilt of -15 degrees, the Sit/Stand Easy-Adjust Keyboard Tray allows you to keep your wrists in a neutral position. The Sit/Stand Easy-Adjust Keyboard Tray includes height and tilt read-outs, so you can fine-tune the position. The Sit/Stand Easy-Adjust Keyboard Tray's range is suitable for the 5th through 95th percentile of the U.S. population.

Highly Adjustable Platform

With left and right lateral adjustment, you can move your keyboard to any position you want. The Highly Adjustable Platform also features a Precise mousing surface with a full range of movement and tilt. The gel-filled wrist rests with antimicrobial protection reduce the growth of bacteria on the product's surface. Not only does this elongate the life of your keyboard tray, it allows for comfortable, ergonomic hand positioning while you type. With this keyboard and mouse desk solution, you'll reduce the amount of "bounciness" as you work. By minimizing this instability, you'll increase workplace productivity and reduce injury caused by poor ergonomics. The Highly Adjustable Platform assembly contains 25% preconsumer recycled content by volume.
