## Product Description

The 3M Adjustable In-Line Document Holder with Elastic Line Guide places documents in-line with your monitor and keyboard reducing movement of eyes, neck and shoulders minimizing strain and increasing comfort. The stable weighted base allows ledge to dip below the desk edge increasing desk space. Elastic line guide marks you place, keeps pages open and stretches to accommodate even the thickest books. The 18" wide backplate and 300 sheet capacity supports books, catalogs and just about any size document. Angle and height adjust to suit your needs. Black/clear. 5 year warranty. 40% pre-consumer recycled content.

## DH640 3M Adjustable In-Line Paper Document Copy Holder

### In-Line Copy Holder, 300 Sheet Capacity

Avoid eye, neck and shoulder strain with 3M's In-Line Copy Holder. This innovative holder maximizes comfort by minimizing reaching movements, because it keeps documents positioned as close to your computer as possible.

### Reduce Strain and Fatigue

This document holder comes with an 18-inch wide tray and a large 300 sheet capacity. Adjust the angle and height easily and smoothly based on your preference and the size of your document.

### Easy Access to Any Document

An elastic line guide marks your place and keeps your page open, stretching to accommodate even the thickest book. Whether working with a book, catalog, or single sheet of paper, this holder will suit your needs. Its weighted base allows its ledge to dip below the desk edge, providing a secure and stable fit.
