Perfect Utility, Ultimate Versatility.

It’s not metal, but it sure acts like it.

Our mission is to take the pain OUT of painting — that means cleaning and maintenance — and it’s got to be done without sacrificing performance.

That’s why the 3M™ Accuspray™ Spray Gun System is designed to work with the new 3M™ PPS™ Series 2.0 Paint Cup System and the original 3M™ PPS™ Paint Cups. 3M™ PPS™ Series 2.0 cups deliver improved material flow and more-consistent atomization.

With five sizes of atomizing heads, make Accuspray™ ONE your ultimate utility gun and the perfect complement to your collection.
