

Paper or plastic?

The choice is clear.

Prep with plastic — it's better than masking paper.*

New 3M™ Hand-Masker™ Masking Plastic — for quick and easy paint prep with high-quality results.

- ▶ Waterproof: not affected by rain, dew or washwater
- ▶ No paint bleed-through
- ▶ Paint-flake resistant
- ▶ Easy to wrap around objects
- ▶ Translucent — allows light to shine through
- ▶ 2X more per roll*
- ▶ Available in 6", 9" and 12"
