3M™ Carry Handles. Conveniently practical.

3M™ Carry Handles are a simple way to add some convenience to your customers' experience. When applied at retail checkout, 3M Carry Handles easily attach to just about any product or package, providing a strong hold on large, awkward or heavier items.

If you're looking for a way to make your brand stand out on store shelves, 3M Carry Handles can also be pre-applied by manufacturers. These customized handles can be applied by hand or by high-speed, automated applicators.
