Effective September 28, 2001 3M will be discontinuing the Robinson Nugent NSH product family. These product numbers have been omitted from the September 1, 2001 price page update, distributed August 24, 2001.

The NSH product offering is replaced by the 3M 2300 Series, 2400 Series and 929 Series non-shrouded header products. A family cross-reference for these products is included for switching customer specifications where applicable. The file is labeled "NSH Cross Reference."

### Actions Required

- Please notify affected customers of this discontinuation and utilize the attached cross-reference to qualify 3M replacements.
- All orders must be received by October 31, 2001 and scheduled for immediate delivery.
- Distribution may return discontinued items in original standard packages at currently published distributor prices. Robinson Nugent's standard packaging and current distributor prices are listed in Robinson Nugent's price

page dated September 30, 1997. Please reference the included file labeled "Robinson Nugent 9-30-97 Price Page." Products identified by Robinson Nugent as returnable in this attachment, will be accepted for return.

### Returning Discontinued Product

Requests for return must be submitted, in writing, to the distributor's customer service representative by **October 30, 2001**. The request will be reviewed and the distributor will be notified of a RMA number and the 3M location the product should be returned. Product must be received, at the designated 3M location, by **November 30, 2001** to be honored for credit.
