3M™ 09376 Perfect-it™ III Machine Polish

1) Part Numbers

09376 (1.0 kilo bottle. 12 bottles per carton)

2) Description and end uses

3M™ 09376 Perfect-it™ III Machine Polish is a very high gloss polish for use on refinish paints to remove compounding scratches, for example, after 3M™ 09374 Perfect-it™ III Fast Compound or 3M™ 09375 Perfect-it™ III Fine Compound. It can also be used to remove light oxidation from original paint. Polish with an electric or air driven polishing machine (1500-2500 rpm) equipped with a 3M™ 09374 or 05735 Perfect-it™ III High Gloss Polishing Pads on a 3M™ Perfect-it™ III Back-up Pad.

Product highlights:

- Silicone and wax free
- “What You See Is What You Get” (WYSIWYG) finish
- Very high gloss finish
- Fast removal of compounding swirl marks and light oxidation
- Unique convoluted polishing pad allows air circulation to assist drying and gloss production
- Can be used on dark and light colours
- Low sling

3) Physical Properties

Flash Point:	>98°C
VOCs:	263gms/litre
pH	7.5-8.5 @ 25°C
Viscosity:	10,000-18,000 cps
% volatile:	80-90%

Technical Data Sheet

Effective: 31/07/2019 Supersedes: 03/10/2000

4) Directions for Use

1. Shake bottle well
2. Apply sufficient material to complete the work area directly on to the paint surface (panel)
3. Apply direct to polishing pad if working on vertical surfaces
4. If using a new/dry pad, spread some polish on the pad before use to ensure it is wet
5. Place the pad on surface before switching the machine on, this reduces the amount of sling
6. Polish using light pressure until the polish starts to dry up
7. Continue to re-apply as necessary. Reduce pressure for final 2 3 seconds of polishing to achieve a high gloss
8. Clean off with a 3M™ 09304 Scotch-Brite™ High Performance Wipe
9. Immediately remove any spatter from adjacent panels, plastic and rubber surfaces using a damp cloth

5) Storage

Avoid frost
Store upright
Practical shelf life is 2 years

6) Safety

Not classified as hazardous under CHIP Regulations.
Product Safety Data Sheet available on request.

3M™ 09376 Perfect-it™ III Machine Polish is designed FOR PROFESSIONAL INDUSTRIAL USE ONLY.
