

Fall Protection
for Tools

The science of fighting gravity.

Protecting workers takes more than just keeping them from falling. Their equipment also needs to be kept secure at height. From construction sites to oil rigs, 3M can help make work environments safer and more productive by protecting workers from hazards that can result in personal injury, equipment damage and tool loss.

Stop the drop.

#3

cause of fatal work injuries in 2015*

519

workers were fatally struck by an object or equipment in 2015*

Contact with objects & equipment

Annual "Struck by falling object or equipment" OSHA Recordables*

42,400 ÷ 365 = 116

Recordables per year

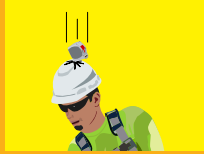

Days in a year

Per day
