

3M™ Clarity™ Advanced
Clear Braces

Make your style clear.

Clarity Advanced clear braces give you the versatility to go from blending in to being bold simply by changing the ligatures (bands). Clear braces blend with various tooth shades, so bands can be loud and bright or clear and discreet.

Be clear.

Translucent braces are designed to blend in with the natural color of your teeth.

Be comfortable.

Clarity Advanced clear braces are so small in size and big in comfort you may forget you're wearing them.

Be colorful.

A variety of band colors let you coordinate with life's moments.

Be vibrant.

Braces resist staining and discoloration throughout treatment.

Color for any occasion.

Have fun mixing and matching your band colors or go bold with one vibrant color. With 20+ colors to choose from, it's up to you to express the style which makes you smile.
