

# NURSERY ACCENTS

by Clever Poppy

It's so easy to add a burst of fun and personality to your nursery with **Scotch® Expressions Washi Tapes!**

Decorate frames with washi tape, in colours which compliment the art.

Make decals by laying strips of washi tape on baking paper, then cutting out shapes. Or use a hole punch to make tiny dots.

Create a piece of wall art with washi tape, like this easy tree! You could also try houses, mountains or stars.

Wrap washi tape around jars to create cute storage options.
