

Fall Protection
for Tools

Adapt your harness for a better workday.

3M™ DBI-SALA® Harness Adapter #1500161

You can simplify your work when you tether your tools where you want them. The 3M™ DBI-SALA® Harness Adapter lets you add an attachment point for tool tethers anywhere on your harness webbing. It's an easy way to attach a variety of Fall Protection for Tools solutions, including bungee tethers, coil tethers or tool lanyards, where they'll be the most convenient for the way you work.

- ▶ Provides an attachment point for tools on harness webbing
- ▶ Fast and easy installation—anywhere on your harness webbing
- ▶ Abrasion-resistant and durable
- ▶ 5 lb. (2.3 kg) capacity

Adapt your workday with the
3M™ DBI-SALA® Harness Adapter.
