

Advantages at a glance

- Fast and easy application – no downtime
- Capture the perfect look of natural materials (wood, metal etc.)
- Durable, high quality, easy to maintain surface finishes
- Multiple decorative options thanks to DI-NOC's 3D conformability
- Don't replace, refurbish – it's more cost-effective

**Discover the variety of our finishes
and see for yourself:**

**The perfect team
for your refurbishment project ...**

**Creative interior design
with dramatic
architectural finishes –
to bring a new look
to your workspace**

Like to refurbish or redesign your workspace?
We can make your creative interior designs come true. Our DI-NOC architectural finishes and the Fasara and Crystal glass finishes were developed especially for easy and quick refurbishment projects (even during business hours).

An extensive selection of decorative film allows us to set new standards in interior design. The range of decors inspires a new design for surfaces and offers individual solutions with the perfect-look of natural materials (wood, metal etc.). Counters, partitions, doors – in no time you will achieve dramatic accents or create new spaces.

Easy, fast, cost-effective!
