

**3M** Science.  
Applied to Life.™

## More performance for less effort.

### Experience the difference.

- ▶ Performs better than competitive pads throughout the life of the pad
- ▶ Clogs less than competitive pads
- ▶ No backer pad needed\*

### Scotch-Brite™ Surface Preparation Pad Plus

The Scotch-Brite™ Surface Preparation Pad Plus provides the premium performance you've come to depend on with our surface preparation pads — plus it's even easier to use. It doesn't need a backer pad\* and it quickly removes the top layers of finish with less clogging during use. With its extra long-lasting scrubbing performance, you'll replace the pad less often, and spend even less time getting your floors ready to shine.

\*Confirm pad driver compatibility with machine manufacturer before using without backer pad.

# The easy way to prep your floors to shine.

Use the Scotch-Brite™ Surface Preparation Pad Plus to remove the top layers of finish, leaving a clean surface for recoating.

**Save time** — 2 times faster finish removal than competitive floor pads when worn.

**Less clogging** — open fiber construction reduces the need to stop and remove and rinse the pad during use.

**Fewer chemicals** — effective with just plain water or a neutral cleaner. No stripper residue or cleanup.

**Easy to use** — use with auto scrubber, swing machine or rectangular floor machine. No backer pad needed.\*

**Long-lasting** — replace less often than competitive floor pads. Both sides of the pad can be used.

\*Confirm pad driver compatibility with machine manufacturer before using without backer pad.
