and Protector 

Enhance productivity with 3M products.

1 Scotch-Brite™ Quick Clean Griddle Cleaning System

Use this system to clean your commercial flat-top griddle in minutes. Simply squirt, scour and squeegee. The griddle liquid loosens and lifts grease and food soil upon contact on a hot griddle for easy removal. It is Green Seal™ Certified* and safe for use on food contact surfaces.

* Scotch-Brite™ Quick Clean Griddle Liquid meets Green Seal™ Standard GS-53 based on effective performance, minimized recycled packaging and protective limits on VOCs and human and environmental toxicity. GreenSeal.org

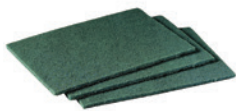

7 Scotch-Brite™ High Performance Microfibre Cleaning Cloths

Ideal for cleaning stainless steel, chrome, wood and enamel. Scotch-Brite™ High Performance Cleaning Cloths are reusable and perfect for delicate surfaces such as glass and plastic.

8 Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector

A fast, easy, convenient way to wipe away grease on stainless steel hoods, while leaving behind a protective Scotchgard layer as you clean — making it easier to wipe off grease the next time.

2 Scotch-Brite™ General Purpose Scouring Pads 96 and 97

Use these synthetic scouring pads for common cleaning jobs on a variety of surfaces.

3 Scotch-Brite™ Power Pad 2000

With up to four times the speed and up to 10 times less abrasion, the Scotch-Brite™ Power Pad 2000 cleans faster than the competition and reduces scratching.**

**Based on 3M laboratory study comparing competitive product.

9 3M™ Oil Quality Test Strips 1004

Easy to use and easy to read, 3M™ Oil Quality Test Strips eliminate guesswork and help keep the quality of fried food high. They help you save money by preventing premature disposal of shortening.

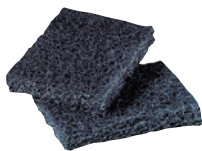

4 Scotch-Brite™ Light Duty Scrubbing Pad 9030

This convenient, thick, hand-size pad is designed for gentle, no-scratch cleaning of most delicate surfaces.

10 3M™ Easy Trap Duster – Sweep & Dust Sheets

Trap up to eight times more dirt, dust and sand than with conventional flat-fringed cotton dust mops or a competitive sweeping dust cloth brand.† Sheets contain a minimum of 60% recycled content and can be used with your existing flat mop or high duster.

5 Scotch-Brite™ Extra Heavy Duty Pot 'n Pan Handler 88

Our most aggressive scouring pad. Removes heavily encrusted baked-on food from pots and pans. Use in place of metal sponges. More aggressive than similar competitive pads, removing two to three times as much baked-on food from cookware and dishes.†

11 3M™ Easy Scrub Flat Mop System

Help cut chemical waste by 80% versus mop and bucket, with the operator-controlled dispensing mechanism.†

†Based on a study conducted by 3M.

6 Scotch-Brite™ Easy Erasing Pad 4004

Ideal for removing stains, marks, ink and more. Just use water — no chemicals or sprays needed.

12 3M™ Glass Cleaner and Protector

With repeated use, 3M™ Glass Cleaner and Protector reduces fogging on windows and mirrors by leaving an invisible layer of Scotchgard™ Protector.
