

Littmann Stethoscope Warranty Information

The day you bought your Littmann stethoscope establishes its warranty start date. This date can be verified on your original purchase receipt.

If a material or manufacturing defect occurs during the warranty period, we will repair your Littmann stethoscope free of charge, except in cases of obvious abuse or accidental damage. Kindly note that our warranty is only valid for Littmann Stethoscopes purchased in South Africa (including online purchases).

Click [here](#) to contact our accredited Littmann distributors for all in warranty repairs.

What is required to redeem your warranty?

- Proof of payment
- Serial Number of Stethoscope
- Model Name

Has the warranty expired? No worries. We offer affordable Littmann stethoscope repairs that include replacing the tubing, eartubes, diaphragm, rim, nonchill sleeves and eartips. Click [here](#) to find out where to buy replacement parts.
