Fall Protection
for Tools

Keeping your hard hat on is easy.

3M™ DBI-SALA® Hard Hat Tether

Work with confidence knowing that if your hard hat falls off, it's not going anywhere. The 3M™ DBI-SALA® Hard Hat Tether features a new clip design that helps prevent deformation of the clip over extended use. This helps ensure a secure attachment, to further reduce the number of dropped hard hats.

Ask more of your hard hat tether.

Double the weight capacity

1.8 kg (4 lb.) load rating allows you to confidently add hearing protection or a face shield to your hard hat.

Simple installation and removal

Spring-compression, ambidextrous design makes it easy to use with either hand.

Grips harder on more materials

Patented clip holds stronger when force is applied to it.

3M™ DBI-SALA® Hard Hat Tether
