Dear Dental and Orthodontic Professionals:

This letter is in response to your request for information on 3M Oral Care products containing gluten.

While 3M Oral Care has not analyzed the products or components for the presence of gluten, based on vendor-supplied information and based on our knowledge of product chemistries, gluten is not an intentionally added or expected product component. The majority of our product components are synthetic in nature and not sourced from cereal grains. As such, gluten is not expected to be present.

If you have additional questions, please contact our Customer Care Center at 1-800-634-2249.

Thank you for your interest in 3M Oral Care products.

Best regards,

A handwritten signature in black ink that reads 'Gretchen Keenan'. The signature is written in a cursive style with a long horizontal flourish at the end.
