3M™ Self-Stick Liquid Protection Fabric

**Lay down a  
liquid-proof layer  
of confidence.**

[3M.com/SurfaceProtection](https://www.3m.com/SurfaceProtection)

## Temporary, conformable protection that sticks.

3M™ Self-Stick Liquid Protection Fabric is engineered for the non-stop demands of industrial environments where protection from water, solvents, oil and other fluids is vital. It can help boost your productivity, reduce maintenance and cleanup time, preserve your workspaces and eliminate re-work on finished surfaces.

### Faster, easier surface protection from water, oil, solvents and other fluids.

- Easy, one-step application
- Clean removal from most surfaces
- Provides a cleaner working environment
- Indoor and outdoor application

# Industrial-grade protection for almost any surface.

## Protects surfaces

from liquids, dust, dirt, debris and light abrasion and impacts.

## Replace paper-and-tape

or plastic-and-tape methods for protecting finished surfaces.

## Conformable material

is easy to mold around complex surfaces.

## Apply to floors

to reduce cleanup time. This product may improve slip resistance.

## 3M adhesive backing

sticks fast and comes up clean after the job is done.

## Cover work areas

to minimize damage from dropped tools, nuts, bolts, hardware, and other falling debris.

## UV-resistance

allows both indoor and outdoor use. Up to two weeks recommended depending on usage. Test for suitability.

## Numerous industrial applications

to protect your work.

## Multiple applications.

### Metalworking

### Aerospace

Marine/Specialty

General

Automotive

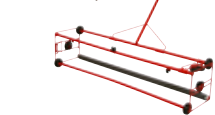

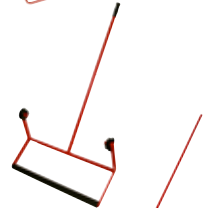

## Ordering Information
