3M reserves the right to modify, discontinue, or terminate this offer at any time and without prior notice. Offer is open to industrial end users of 3M™ Speedglas™ Welding products. Participating end users will be required to work directly with their local 3M safety specialist to redeem offer.

End users qualify for a 10% promotional discount by:

(1) Trading-in either a NIOSH approved powered air purifying respirator blower unit and/or ANSI/CSA approved welding helmet with an operating auto-darkening filter;

AND

(2) by purchasing qualifying 3M™ Speedglas™ Welding products.

Competitive trade-in product must be in good working order and purchased within the last 5 years. A minimum trade quantity of 5 units is required to participate. To surrender competitive trade-in product, qualifying customers can coordinate with a 3M safety specialist and dispose of product following local regulations. Promotional discounts will only be issued after both proof of purchase of qualifying 3M™ Speedglas™ Welding Products is received by 3M and competitive product is surrendered or confirmed to be disposed of. Customer to dispose of batteries. Large order shipments will be coordinated with your 3M safety specialist to determine a delivery schedule. This offer cannot be combined with any other promotion.
